Quality Enhancement Review: External Reviewer Campus Visit Considerations

A sample schedule for the external reviewer’s visit to campus is provided as part of this QER Manual. This document is intended to assist units in formulating a schedule for the visit.

Only two meetings on the schedule are arranged by the Provost’s Office. Those meetings are the first meeting held at 8:30 am on the Day One and the Exit Conference held at 4 pm on Day Two. The Exit Conference takes place in the Westcott Building in Room 201, unless otherwise noted. The first meeting can occur in Westcott or at a location determined by the unit. Specifics about this meeting should be confirmed with Lynn Hogan (lhogan@fsu.edu).

Participants

In setting up the meeting schedule, the unit should arrange for the external reviewer to meet with the following individuals or groups:

College Dean
Unit Chair/Director
Faculty
Alumni
Chairs of Related Disciplines
Current Students (Undergraduate and Graduate)

These meetings can be either face-to-face or electronic. If appropriate, the unit should arrange a tour of related facilities as part of the visit. Units are encouraged to arrange meetings, if there are other groups or individuals the unit believes should talk with the external reviewer.

Graduate Policy Committee

On the Sample Schedule, time has been designated for the external reviewer to meet with representatives of the Graduate Policy Committee subcommittee reviewing the unit’s graduate programs. Unit heads should contact the chair of the subcommittee to determine if such a meeting is needed.

Please contact James Beck (jbeck@fsu.edu) regarding GPC subcommittee members.

Meals

Units interested in combining meeting with meals should consult with the external reviewer regarding preferences. While the external reviewer receives an allocation for meals, the unit will not be reimbursed for sponsored meals.
